WINS Groups Has Ordered Third Platform Supply Vessel for Deepwater Drilling Support

WINS's subsidiary, WM Offshore, has ordered the Group's third Platform Supply Vessel. This 76 m Platform Supply/Oil Recovery/ Safety Standby vessel of about 3,500 dwt is expected to be delivered in June 2012 and will be deployed to support deepwater drilling and operations of the oil and gas industry in Indonesia.

In addition, PT Wintermar, a subsidiary of WINS has been awarded a 2 year contract from Total E & P Indonesia, a company organized and existing under the laws of the French Republic, to provide a supply vessel commencing in 2012. Total Indonesia is presently Indonesia's biggest producer of gas with her main field concentrated in Bekapai, Handil, Tunu and Peciko, East Kalimantan.

The vessels main scope of work involves:

- anchor handling and towing
- safety standby services
- cargo transport services
- passenger transport
- oil spill clearance
- firefighting services

The contract is valued at about USD 6.5 million and will commence next year in February 2012.

WINS group has won 23 new tenders from January to May 2011, with total contract on hand valued at USD 104 million as at end of May 2011.
